WHAT IT IS

Your on-demand video presenter

Not a cartoon avatar or Zoom character. It is a realistic video version of you, created from your authorised face and voice for future approved scripts.

YOUR FACE

Authorised likeness

YOUR VOICE

Consented recreation

REUSABLE

Future scripts without a new shoot

From production day to content day

Spend less time filming and more time communicating.

BEFORE - TRADITIONAL PRODUCTION

- Book a studio and crew.
- Rehearse or memorise the script.
- Repeat takes after mistakes or changes.
- Edit, caption and check the final cut.

A late correction may require another filming round.

NOW - AI VIDEO PRESENTER

- Approve the script and visual plan.
- No studio, crew or rehearsal day.
- Keep delivery and captions consistent.
- Finish with human quality checks.

Approved messages can be produced without a physical reshoot.

The result

Lower production overhead, faster updates and no camera-day pressure.

Build an audience. Teach consistently.

One approved presenter can support your personal channels and learning programmes.

PERSONAL SOCIAL CHANNELS

Publish expert updates and short-form series for X, TikTok, YouTube and Facebook - even when you have no time to record.

LESSONS

Turn an approved lesson script into a consistent presenter-led video for online learning and knowledge sharing.

SAFETY TRAINING

Create induction, toolbox talks and refresher training with clear narration, subtitles and selected languages.

Speak, host and represent the brand

Use the same approved presence across important organisational moments.

01 INVITATIONS AND SPEECHES

Event invitations, welcome messages, congratulatory remarks and formal speeches.

02 EVENT OPENING VIDEOS

Open conferences and safety activities with a confident, prepared message.

03 EMPLOYEE TOWN HALLS

Deliver management updates and staff briefings with consistent wording and tone.

04 SAFETY PROMOTION

Support campaigns, safety days and awareness activities with repeatable content.

05 SAFETY PRODUCTS

Explain corporate safety products, services and practical solutions.

06 SAFETY CULTURE SPOKESPERSON

Represent the organisation's safety values across campaigns and languages.

You decide the message. Your approved presenter delivers it without camera-day pressure.

IMPORTANT FOR LONG VIDEOS

For videos longer than 10 minutes, one approval covers the complete script and visual plan. Production may then be completed in sections and assembled into one final video.

Six items before generation

Accurate information at this stage prevents avoidable regeneration costs.

01 FINAL SCRIPT

Correct names, titles, dates and pronunciation notes.

02 AUDIENCE AND TONE

Who will watch, and whether delivery should be formal, warm or energetic.

03 BRAND ASSETS

Logo, colours, background and required visual elements.

04 LANGUAGE AND VOICE

Narration language, subtitle language, presenter, voice and timing.

05 RIGHTS AND CONSENT

You must own supplied assets and approve custom likeness or voice use.

06 FINAL APPROVAL

Review the summary and reply: Approved to generate.

Review first. Generate once.

Every important choice is validated before the video is generated.

1

SELECT

Choose a package and duration.

2

SUBMIT

Send the script, assets and requirements.

3

REVIEW

Check language, voice, timing, visuals and facts.

4

APPROVE

Reply: Approved to generate.

5

DELIVER

We generate, quality-check and deliver the MP4.

CHANGE POLICY

One consolidated pre-generation review is included. Client-requested changes after generation are charged. Any mismatch against the approved brief is corrected without charge.

Zero takes, and it is done!!

IN HIS OWN WORDS

"No studio, no memorising scripts, and no repeated takes. This service turned my script into a realistic, professional video message - saving me hours while preserving my appearance, voice, and personal delivery. Zero takes, and it is done!!"
